

NOTVARC

Dec. 1979
Jan. 1980

December was a very busy month for many of the club members. The Kerr Center Santa Claus outing was a great success and as reported, a lot of fun. Our thanks to Doug, Bob, Warren K., George and Dennis and XYL. Did I miss anybody?

It was encouraging to see the great turnout at the December meeting. Our meeting room was nearly full. The Larson antenna people had an interesting and informative program for us and thanks to Bob for getting them.

The Xmas party was a winner judging from the number of revelers and in fact some had such a good time they found it very difficult to leave. A whole bunch of prizes were donated and the drawing was a lot of fun. At last check there was only one person who was a loser-#7ETK! A consolation prize is being held for him and will be given at our next meeting. The drawing paid for the party and put a little extra in our bank account. A special thank you to Dennis and XYL for donating \$35.00 worth of delicious ham. The leftovers were good the next day, the next day, the next day and the -----. If you missed the party-shame.

As you will note, there is a newspaper article on this page. Warren Knight was good enough to submit it. wow-in the Journal yet. Very nice job Warren.

If you still have the address label from your latest QST, please bring it to the meeting. We need them for obtaining of an ARRL affiliation. If you can't find it please try to remember and bring the next issues.

There will be a drawing at the meeting for a prize, which will be donated by Radar Electronics. This kindness was arranged for by Doug. Anybody need a new TS 120?

The program this month will be given by Stanley Griffiths, better known as #7NI. Stan has that tremendous array of towers in Aloha. He is also part owner of the Antronics Ham outlet in Hillsboro. Not to mention being very well known in contest circles. He will be giving a slide presentation on antennas. this should be a good one. Hope you all can make it.

Radio club sponsors classes for amateurs

BEAVERTON — The Oregon Tualatin Valley Amateur Radio Club, in association with Portland Community College, is sponsoring training classes in amateur radio, according to club president Al Berg.

The classes, scheduled at Sunset High School beginning Jan. 7, include Novice License, General License, Advanced and Extra Licenses and two Morse code classes.

The regular December meeting will be December 19 at Sambo's, 185th and the Sunset Highway. Meeting time, 7 p.m., dinner for those so inclined, 6:30 p.m.

We are planning a Christmas party at the home of WB7SIC, Al Berg's, on December 22 at 7 p.m. Please bring some snack-type refreshments and beverage of your choice. A map is attached, and there will be talk in on 147.48.

The annual dues of \$5 are now payable. If you joined last year between July 1 and September 30, you owe \$2.50. If you joined after September 30, the fee will be \$1.25. All others owe \$5. Please send to:

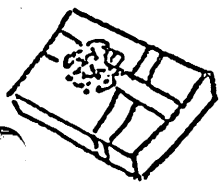

Warren Knight N7BIJ
2350 S. W. 1072nd Court
Aloha, Oregon 97006

Program highlight for December meeting will be John Beeman, General Manager, Larsen Antennas, who will be our guest speaker on the 19th.

Dec. Newsletter - 1979

A QST FROM YOUR PRESIDENT

I would like to thank the entire membership for your vote of confidence at our recent election proceedings. I am sure I do not have to elaborate on my desires in regard to wanting an active and interesting club and I will do all I can to see that this occurs. Our membership has grown rather slowly since our beginning but as of late we appear to be increasing at a more rapid rate. It is my hope that those members we now have will not only remain as active members but do everything possible to bring in new people. We need a diversity of talents and interests and we most certainly need a larger group to support various projects which will be coming. A doubling of membership will be my primary goal for 1980.

Again, thank you all for the opportunity to be of service to you, the club. I can assure you I will give my position the strongest effort possible and perhaps, with your help, we will grow to be the finest and most active group in Oregon. See you all at the next meeting?-and party.
